

# Buck Lake View Lot With Access!

2724 Spyglass Rd

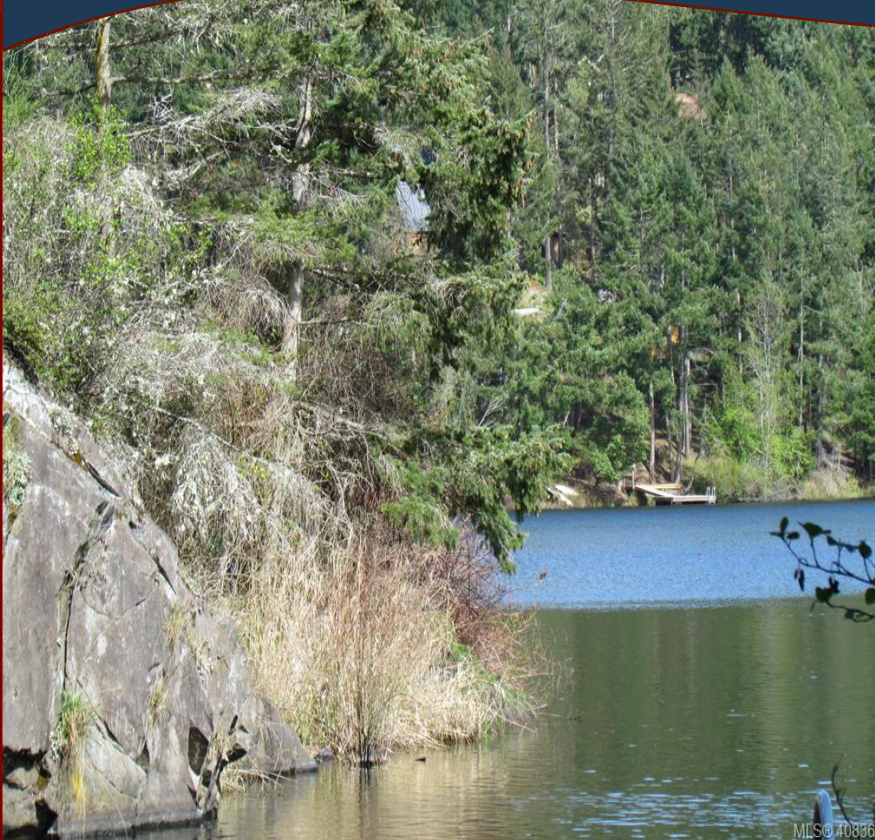

**Lake View with Access!** Here is an opportunity to own a peaceful half acre of land with a beautiful view of Buck Lake. This pristine lake is private access only to lakefront owners. Unlike all other properties with a view of Buck Lake, the owners of this property have access to swim, paddle and fish for trout. Steps down to the water's edge and a gentle path have been provided for the whole family to get out and enjoy the water. To make development even easier, a level open site has been prepared with a great circular driveway, and sewer and water services are right at the property lines. A power pole is already installed and hooked up to BC Hydro, and plans are available for a beautiful home with a walk-out basement. Come take advantage of all that this property has to offer.
