

South Facing Acreage!

6603 Harbour Hill Drive

Private, south facing acreage in a beautiful park like setting. A roughed in driveway, well, and storage shed are already in place but the rest of this 2.67 acre gently sloping property has been left natural providing several options for a building site. Because very little tree removal has been done, an abundance of timber can be milled and used for building to keep your home connected to nature. Located in a desirable area near the Driftwood Centre and Sea Star Winery. Septic system required; hydro, phone, internet, and cable at lot line.
