Est. 1964: The Lifeline of Saturna's Community is available & waiting for a new breath of life! Traditionally a year-round operation providing daily restaurant services, fuel facilities, and more recently, a conveniently located campground & a group of office rentals that currently includes a Dairy Bar with a sit-in/take-out facility serving the ferry line-up directly in front of the establishment. The Lighthouse Pub has been an integral part of our community for generations & it is now time for new owners to take the torch & run with it into a promising future. This is a turn-key offering including fixtures & equipment. The Pub sits on the waters edge facing west, enjoying spectacular sunsets over Navy Channel. Sitting next to the Ferry Terminal & Government Wharf, The Pub is the first place you encounter when arriving! It has enjoyed a long history of food service amongst locals & visitors alike & has provided many musical shows & events. Opportunity Knocks!
