

Beachfront Cottage

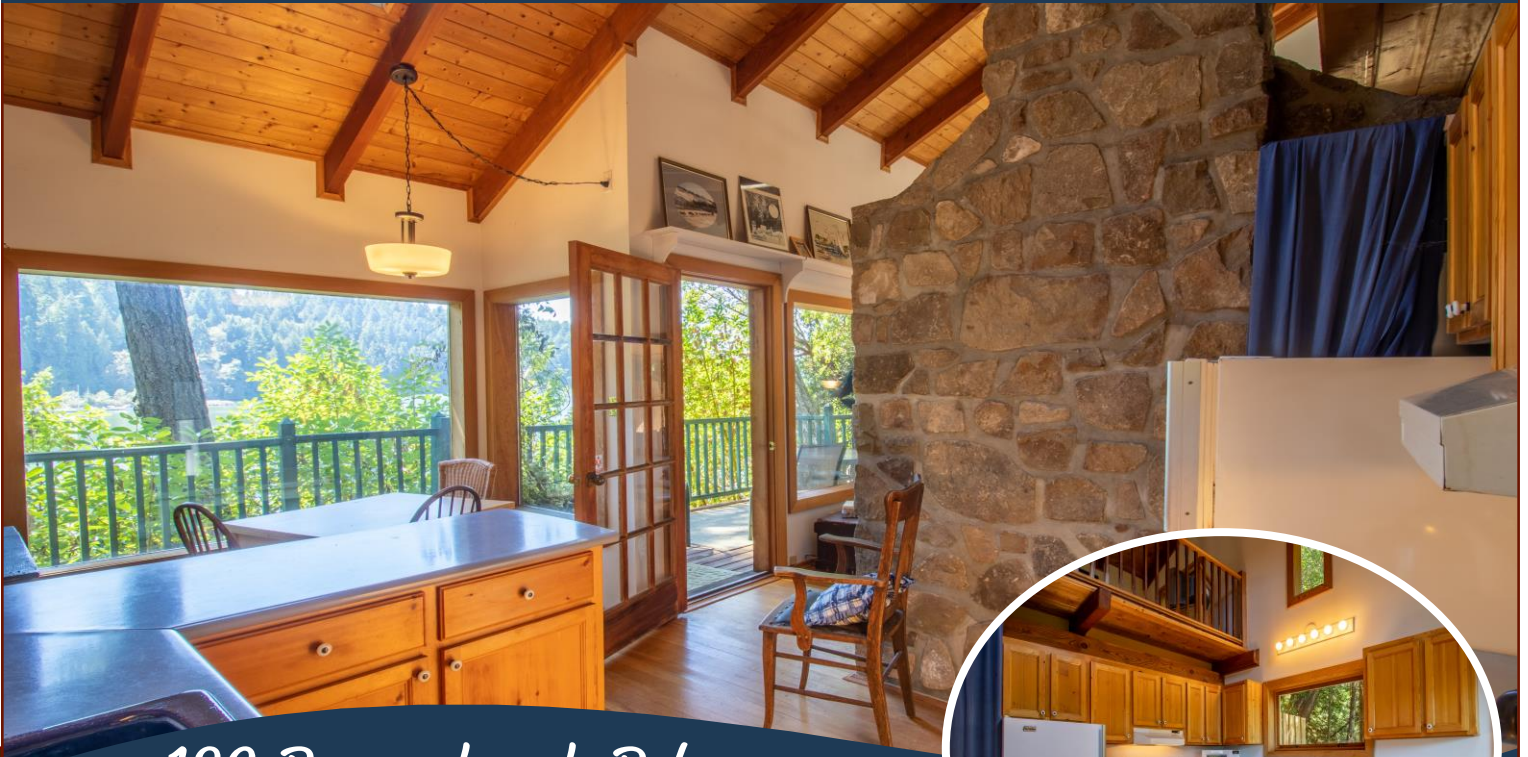

129 Bonnybank Rd

Tucked away on the peaceful Bonnybank Road, this getaway cottage sits overlooking views of Lyall Harbour with shoreline stairs to a private little pebble beach. The main level contains the complete living space with living room, dining area, kitchen, bathroom & primary bedroom while two additional sleeping areas are located in the loft. A magnificent stone fireplace is the centerpiece of the cottage to take the chill off those chilly winter nights. There are sundecks with sunny southwest exposure and a detached A-frame Bunkie/Studio on a trail to the beach. This is a small, low maintenance lot where you can retreat and relax in its tranquility. The location is close to all amenities Saturna has to offer.
