

Beautiful Forest Cabin!

4708 Captains Cres

Presenting a quintessential Gulf Island cabin. This lovely home backs on to parkland and is set back from the street, which provides a nice sense of privacy in the home and gardens. Access to the park brings you to the heights of Lively Peak Park, and the Scarff Rd auxiliary trail, which is a short walk to the Driftwood Centre. Inside the home, windows bring in dappled sunlight throughout the day. Upstairs during the Equinoxes, through a peak a boo ocean view in the trees, the sunrise floods the loft with a warm morning light. Relax on the deck with a coffee or glass of wine and enjoy your time in your own woodland forest. The efficient heat pump heats the entire home, or cozy up with the wood stove on cold winter nights. Enjoy a bath inside the spacious tub facing the moss wall, dripping with liquorice ferns. The large loft has room for a dream studio, family area or spacious bedroom. All measurements are approximate. Presenting offers Tuesday March 2nd at noon. See M2M notes.
