

Beautiful Craftsman-Style Home!

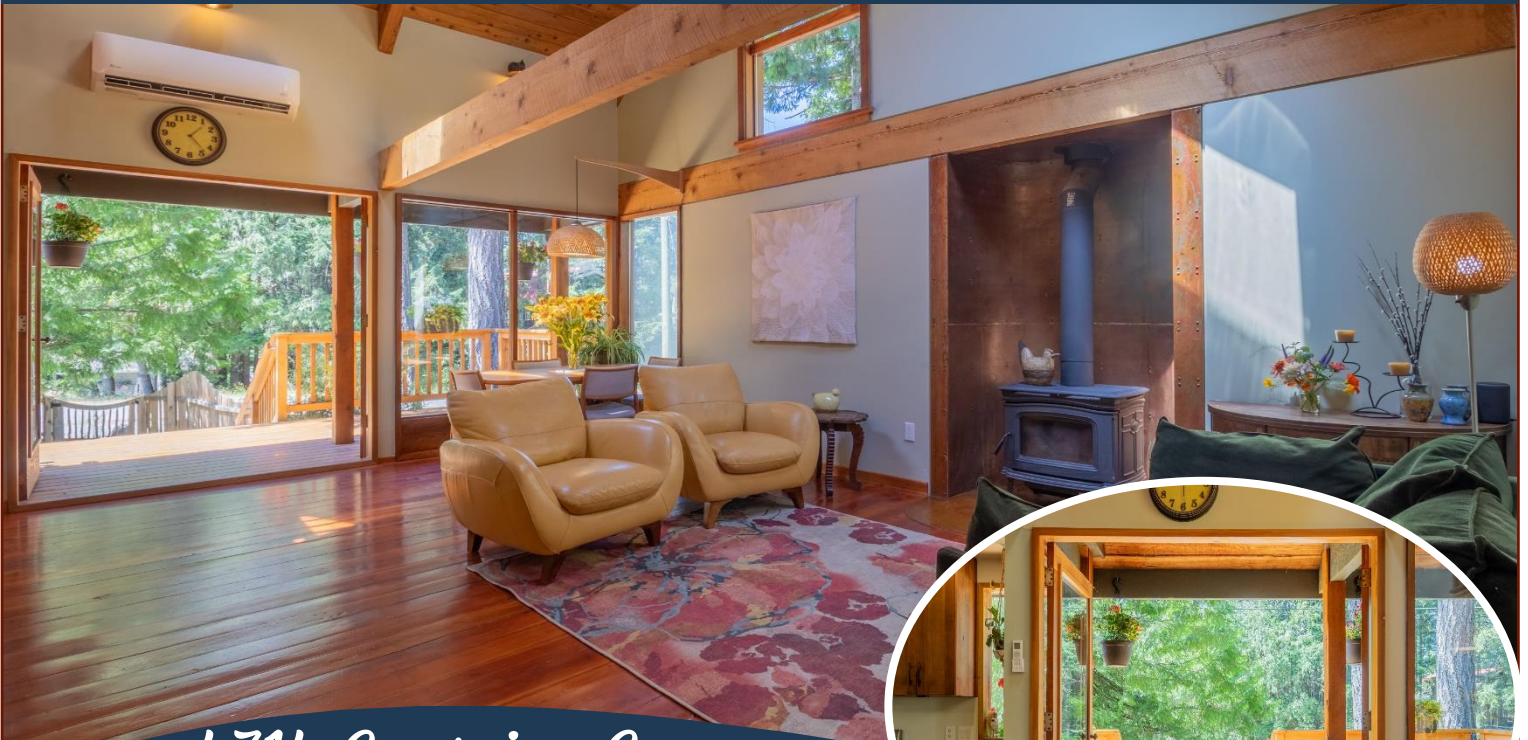

4714 Captain Cres

Welcome to this outstanding craftsman style home located on Pender Island, BC. Enchanting entrance brings you down a cobblestone path to French doors and into the spacious living and dining area. Walk through the kitchen with the reclaimed custom-built cabinetry and poured concrete countertops to the shady deck under a maple tree, where you take in views to the garden below. Bright and spacious primary bedroom enjoys its own deck and view. Upstairs in the loft, have an office or 2nd bedroom. Bathroom has a space saving customized inset cabinets. French doors in the lower area let a lot of light in so a studio would work here. Large workshop with new roof and shake siding complement the fairytale feeling that you will find in every corner. Multiple windows throughout let light in, with an abundance of privacy throughout the home. Everything here has an incredible artistic touch that you cannot purchase at the store, and it could be yours. Measurements are approximate – buyer to verify.
