

# A Note from the Owners of 38206 Schooner Way...

We are very pleased you have decided on our little cottage. It's a perfect retreat. We have the birds, the tranquility, the trees, and the little creatures. We also love the peace and quiet. We've been here since 1995 and now it's time to move on. We are thinking of a move to Halifax. We leave 38206 Schooner Way in your good hands.
