**PRESENTING A GULF ISLAND GALLERY OF HOMES
AND ARTISTS**

We are happy to announce that we are opening an office in Sidney in September which Suzi, our Agent there, will work from. We will be marketing our Pender, and Saturna Island homes there as well as hosting Pender Island Artists. This will be a very good move as we can now advertise our island's Affordable Properties in a higher priced market, offering a much wider service for our sellers.

We are very excited about this, and look forward to putting your window signs on the streets of Sidney!
